## Ortho**NOW**

As we start the New Year, we are excited to announce a new service to our practice. **OrthoNOW** is a walk-in orthopaedic clinic designed for patients who have sustained a new, acute musculoskeletal injury and are in need of an immediate evaluation and diagnosis.

- Hours are Monday through Friday from 8:00am-11:00am
- Appropriate injuries to be assessed include acute musculoskeletal injuries such as sprains, strains, and potential fractures
- Patients who have Medicare, Medicaid, an HMO plan that requires a referral, or a work-related injury should call the office to make an appointment
- If you have a patient who is in need of an orthopaedic assessment, you can contact our office at 217-877-2088 or have the patient stop by the office during the **OrthoNOW** clinic hours. Otherwise, patient referrals can be made by calling the same number and setting up an appointment.
- More information can be found at [www.orthodecatur.com](http://www.orthodecatur.com).
